Key Benefits

- Easy install

Hide and guide those ugly cables with the Physix Cable Strip. Easy to install, and it can be cut to your desired length.

The Physix Cable Strip offers plenty of room to hide and guide all your A/V cables. Cables can easily be added or removed. The Cable Strip can be combined with the Physix Multi Support for a complete and elegant cable-free solution. Just mount the Multi Support to the wall and cut the Cable Strip to the right length to cover the distance between the Multi Support and the TV, and between the Multi Support and the floor.
